# PURPOSE & OBJECTIVES

## The purpose of Wisconsin Lutheran

**Seminary** is to offer theological training that prepares men to enter the pastoral ministry of the Wisconsin Evangelical Lutheran Synod or of churches within its confessional fellowship. The seminary also endeavors in various ways to offer opportunity for theological and professional growth to called workers who already are serving in the ministry of its confessional fellowship.

**Objectives** To carry out its purpose Wisconsin Lutheran Seminary has established the following objectives:

- To lead its students into a reverent, thorough, and scholarly study of Holy Scripture as the inspired, inerrant Word of God and to a clear apprehension and faithful, evangelical application of its contents, especially of its basic messages of law and gospel;
- To encourage its students, through daily academic and devotional contact with the Word of God, to grow in their personal faith and to continue that growth throughout their lives;
- To teach all the areas of the theological curriculum—biblical, systematic, historical, and practical theology—in a thorough and scholarly fashion, always in full harmony with the Holy Scriptures and in conscious agreement with the Confessions of the Lutheran Church;
- To train its students in the skills required for ministry in the contemporary world, e.g., preaching, teaching, outreach, counseling, worship, administration, equipping the saints, interpersonal skills;
- To instill in its students the kinds of attitudes that will assist them as they carry out their ministry in the contemporary world, e.g.,
  - Confessional in stance
  - Evangelical in approach
  - Mission-minded in spirit
  - Culturally sensitive
  - Appropriately flexible
  - Zealous both to nurture and to equip the saints.

All of the prescribed pre-ministerial courses of the seminary and its vicarship program as well as its supplementary offerings are intended to fulfill these objectives.

# GENERAL INFORMATION

## History

The Theological Seminary of the Wisconsin Synod was formally opened in the fall of 1863 at Watertown, Wisconsin. Instruction in theology was initially given by Professor Edward Moldehnke, Ph.D., in the school building of St. Mark's congregation. On September 14, 1865, the synod's college, first known as "Wisconsin University" and then as "Northwestern University," opened its doors, and for five years the seminary was operated in conjunction with it.

In 1870 the students of the theological department were transferred to Concordia Seminary at St. Louis, Missouri, in accordance with an arrangement made with the Missouri Synod to conduct a seminary jointly.

Eight years later the Wisconsin Synod reopened its own seminary, this time in Milwaukee, where it remained from 1878 until 1893, though not always in the same quarters. It was housed first in private residences and later in a remodeled building in Eimermann's Park, now 13th and Vine Streets.

An important milestone in the synod's history was reached in 1892 when a federation of the synods of Wisconsin, Minnesota, and Michigan was effected. Because of increased enrollment a new and larger seminary building was erected at 60th and Lloyd Streets in Wauwatosa and was dedicated in 1893.

In 1929 the seminary's present building complex was erected on an 80-acre site in the present city of Mequon, just outside the west limits of the village of Thiensville, about 15 miles north of downtown Milwaukee.

## Buildings

The central seminary building complex resembles the architecture of the Wartburg, where Luther translated the New Testament into German. The impressive seminary tower divides the building into two areas: the residence hall and dining hall lie to the west and administration-classroom building, chapel, and library to the east. The residence hall, consisting of eight units, can accommodate about 80 students. The dining hall contains the kitchen facilities and a dining area seating approximately 150. In 2004-05 the chapel was renovated. The redesigned worship space now houses a baptismal font, freestanding altar, and piano. It enjoys greatly enhanced technological capabilities. It also allows for flexible seating. The chancel windows, reredos, and lectern from the previous chapel have been preserved in a new preaching classroom.

The administration-classroom wing contains the offices of the president, vice president, dean of students, dean of chapel, and the director of the Pastoral Studies Institute, the business office, and five classrooms. Attached to this wing of the building are the chapel and the library. Three additional classrooms and the synodical archives are located in the area beneath the chapel. The mission advancement offices are located on the west side of the arch, opposite the administration-classroom wing.

An auditorium-gymnasium with a seating capacity of 1200 was constructed in 1986. This building provides facilities for interscholastic and intramural sports. It also houses a racquetball court and a weight room equipped with free and machine weights and other fitness apparatus. Outdoor recreational facilities include a softball diamond, a soccer field, and a tennis court.

The library building was constructed in 1968, and in 1997 an on-line catalog was completed. The catalog is also on the Internet via the seminary's website at [www.wls.wels.net](http://www.wls.wels.net). The building also contains office and workshop space, a faculty room, private study rooms, and a multipurpose assembly room.

Numbering over 58,000 volumes at present, the library's collection of books and periodicals has grown slowly but steadily with the aid of a modest annual synodical subsidy and a number of generous gifts and bequests. The library provides bibliographic services not only to students and faculty, but also to pastors, teachers, and lay people throughout the synod.

# ADMISSIONS

## Entrance Requirements

An unimpeachable Christian character is a basic requirement for enrollment. Normally, enrollment at the seminary also requires the applicant to have completed a baccalaureate program, with emphasis on language, especially the biblical languages, and history, or to have earned its reasonable equivalent in college credits. A good working knowledge of Greek and Hebrew is a prerequisite for the courses in biblical interpretation. In addition, the seminary expects that all students who have pursued the regular pre-seminary course will have the equivalent of three college years of a language other than the biblical languages of Greek and Hebrew. In the case of students applying to the Pastoral Studies Institute (PSI), the administrative committee of the PSI, upon the recommendation of the PSI Director, will determine the academic requirements for each applicant on an individual basis.

## Applications

Students desiring admission should submit their applications directly to the president, the chief admissions officer of the seminary, well in advance of the opening date of the school year for which they hope to enroll. The student applying as a graduate of Martin Luther College is to submit his application with the endorsing signature of the president of Martin Luther College together with a transcript of his college credits. Any Martin Luther College student who delays longer than a year after his graduation before he seeks admission to Wisconsin Lutheran Seminary will have his application processed through the PSI as a special admission, non-traditional student. Any other student must submit a letter of recommendation from his pastor together with a transcript of his credits, indicating that he has complied with the entrance requirements described above. All special applications require a recommendation from the administrative committee of the Pastoral Studies Institute.

Since all students are engaged in congregational service while at the seminary, Wisconsin Lutheran Seminary requires a Caregiver Background Check as a prerequisite for admission. The student from Martin Luther College will submit the appropriate forms along with his application through the office of the president of Martin Luther College. The PSI student will submit the appropriate forms along with his application through the office of the PSI director.

## Pastoral Studies Institute

Wisconsin Lutheran Seminary has established a Pastoral Studies Institute to guide the pre-seminary and seminary training of non-traditional students. The PSI considers

# FINANCES

a non-traditional student to be any student seeking seminary training in the United States from the Wisconsin Evangelical Lutheran Synod who has not attended Martin Luther College nor received from MLC either a bachelor of arts degree or a seminary certification. This would include men older than the traditional college-age student as well as men from diverse cultural settings. For information, write:

Pastoral Studies Institute  
Wisconsin Lutheran Seminary  
11831 N. Seminary Drive  
Mequon, WI 53092

You may also send requests for information via e-mail: [psi@wls.wels.net](mailto:psi@wls.wels.net).

## Registration

All enrolled students are expected to register in the business office by the end of the first full day of the first week in the fall semester.

## 2006-07 Student Costs

The following student costs have been set for the current school year. Tuition, board, and room charges may be revised at any time as changing economic conditions may demand. Total costs may be paid in full during registration week or the student may elect the installment program. The installment program consists of nine payments with the first one due at registration.

<b>All Students</b>	<b>Annual</b>	
General Registration	\$415.00	(payable at registration)
Tuition	\$5,670.00	(nine \$630.00 installments)
<b>Dormitory Students</b>		
Board & Room	\$4,635.00	(nine \$515.00 installments)
General Dorm	\$300.00	(payable at registration)
<b>Off-Campus Students</b>		
Noon Meals (Monday-Friday)	\$855.00	(nine \$95.00 installments)

## Vicar Finances

Since students cannot engage in outside gainful employment during their vicarship year, all vicars receive from synod a monthly stipend from August 15th through August 14th. The amount of this monthly stipend is set and reviewed annually by the Conference of Presidents. Vicar housing costs are monitored and, when potentially burdensome to a student, subsidized. Provision is made for the vicar's medical insurance coverage. He is also reimbursed for the use of his vehicle on vicar assignments and for the cost of one round trip between his home and the place of vicarship.

## Grants-in-Aid / Scholarships

The seminary has funds from various sources available for grants-in-aid/scholarships. A major source is earnings from the investment of bequests and gifts. Additional sources are gifts from individuals and congregations as well as grants from the WELS Student Assistance Fund.

Upon recommendation of the financial aid committee, the faculty awards grants-in-aid and scholarships in October and February. The governing board reviews the grants in its fall and winter meetings. Declared financial need is the basis of determining grant recipients. Academic achievement and campus service are the primary factors considered in the selection of scholarship recipients. In recommending grant recipients and amounts, the financial aid committee invites student applications and well-founded student recommendations. In a typical school year a strong majority of our student body (about 90%) receives financial assistance from school funds. In addition to this, students are eligible to apply for grants from the Salem Lutheran Foundation. Members of congregations in the state of Wisconsin can also apply for grants from the Siebert Lutheran Foundation. For students with demonstrated financial needs, financial assistance derived from all sources will, on average, cover the cost of tuition. Single students with minimal needs typically receive somewhat less than this while married students with children typically receive more than this.

# ACADEMIC POLICIES

# Academic Record

The seminary's grading policy is based on the conviction that a considerable variety and range of gifts find a place in the public ministry of the church, that almost without exception all of its students already possess such gifts, and that the emphasis in seminary training should therefore be placed on each individual student's faithful use of his particular gifts and talents. The seminary, therefore, does not issue report cards to students, although students do receive grades and comments on examinations and written assignments.

Students are advised upon enrolling at the seminary that their academic grades for the various courses of each semester of seminary work are kept on record by the registrar in the event a student requires a transcript for prospective employers, scholarship applications, or future graduate study. These records also provide the objective basis on which predicates are determined.

The school year is divided into two semesters of about 80 days each. The student's academic record is kept on the basis of this semester system.

## Grades and Rating

The grades entered into the school records are to be understood as follows:

A+	99-100	Outstanding (4.33 grade points per hour)
A	95-98	Excellent (4.00 grade points)
A-	93-94	Very Good (3.67 grade points)
B+	91-92	Above average (3.33 grade points)
B	87-90	Average (3.00 grade points)
B-	85-86	Below average (2.67 grade points)
C+	83-84	Fair (2.33 grade points)
C	79-82	Adequate (2.00 grade points)
C-	77-78	Marginal (1.67 grade point)
D+	75-76	Unsatisfactory, but course need not be repeated (1.33 grade points)
D	72-74	Unsatisfactory, but course need not be repeated (1.00 grade points)
D-	70-71	Unsatisfactory, but course need not be repeated (0.67 grade points)
F	Below 70	Failure; in some way credit must be earned for the course
I	Incomplete	Temporary grade granted upon request for a cogent reason to a student who has work that is incomplete; grade may be lowered if work is not completed at the time agreed on when the student requested this grade; any incomplete becomes an F at the end of the following semester.

## Enrolling in Other Schools

The seminary does not permit students to enroll in courses at other institutions during the regular school year. The faculty may grant a one-year leave of absence, preferably after his vicar year, to a student who wishes to pursue an approved course of study elsewhere.

## Transcripts

A transcript of credits will be issued to former students upon written application to the registrar. There will be no charge for a student's first transcript, but a fee of two dollars is specified for each subsequent transcript.

Requests for transcripts of credit should be made at least three weeks in advance of the date when they are needed and must in every case include the name and address of the institution or agency that is interested in evaluating the credit given. The transcript will be sent directly to this address.

## Graduation and Assignment of Calls

Participation in the graduation service is extended to students who have satisfactorily completed the prescribed course of study and find themselves in confessional agreement with the public doctrine of the Wisconsin Evangelical Lutheran Synod.

The call into the pastoral ministry is issued through the Assignment Committee of the Wisconsin Evangelical Lutheran Synod.

# CURRICULUM

## General Principles

All training at the seminary is carried out in the light of the gospel under the full authority of the Holy Scriptures as the inspired and inerrant Word of God. All teaching is carried out in conscious harmony with the Lutheran Confessions as the correct understanding of the Bible's message. To accomplish these goals the seminary includes courses on a variety of biblical and theological subjects.

## **BIBLICAL THEOLOGY**

**Biblical Hermeneutics** - By way of introduction to New Testament studies a course is given in hermeneutics, including the grammar of the Greek New Testament and textual criticism. The study of hermeneutics teaches the

principles governing genuinely Christian interpretation of the Scriptures in their original languages. In the study of New Testament grammar an attempt is made to acquaint the student with the characteristics of Hellenistic and New Testament Greek, particularly as distinguished from classical Greek. The reason for studying textual criticism is to enable the student to use his critical text profitably. The text used in the textual criticism course is that of the United Bible Societies, although for New Testament work in general both the United Bible Societies editions and the Nestle-Aland editions are used. The critical Hebrew text of the *Biblia Hebraica Stuttgartensia* is used in all Old Testament exegesis courses.

\*\* These figures represent the number of credit hours. Classes are conducted Monday through Friday, five periods per day, beginning at 7:30 a.m. Length of regular class period: fifty minutes.

**Biblical Exegesis** - Thorough, intensive, and reverent study of the Holy Scriptures is the very heart of our seminary training. No one can be a God-pleasing public witness of Christ unless with a believing heart he understands the message which our God and Savior has called us to proclaim to a world of sinners.

Certain books of the Bible are taught with special thoroughness in exegetical courses. In this study individual words and phrases, as well as literary structure, are examined on the basis of the original Hebrew and Greek texts. Intensive language study during his college training has prepared the seminary student for this work. An exegetical study of both an Old and a New Testament book is given in each of the three seminary years in the classroom.

## HISTORICAL THEOLOGY

**Church History** — Courses in church history are given during each of the three academic years. Entrance requirements include a thorough knowledge of world history. The students are guided to see how our God and Savior has ruled in grace and judgment through all of world history from our Lord's ascension to the present time. Courses stress that our God has made everything serve his one great purpose of gathering his church of believers from among all nations through the gospel.

Students learn to recognize how the erroneous thoughts and sinful actions of men have been constantly at work in corrupting God's message of law and gospel and thus hindering the building of Christ's church. At the same time God in his might and mercy has continued to raise up staunch confessors to expose human error and to restore and preserve the pure proclamation of his saving Word.

The study of church history alerts the student to the subtle inroads of error and confirms him in a joyful appreciation of the gospel as the one power of God for salvation.

Courses in the Lutheran Confessions aim to give the student a thorough understanding of the doctrinal content of the various confessional writings and to help him recognize that they do indeed present the truths of Scripture. The courses emphasize the historical background that led to the writing of each confession. Students learn the importance and purpose of confessions in general, as well as the meaning and significance of confessional subscription. The Ecumenical Creeds and the Smalcald Articles are included in the courses of Martin Luther College and are prerequisites for seminary work. Luther's catechisms receive attention in the catechetical courses.

## SYSTEMATIC THEOLOGY

**Doctrines of the Lutheran Church (Dogmatics)** – Students study the doctrines of Holy Scripture for four semesters in their middler and senior years. Classes meet five times a week, except for the first semester of the middler year when the class meets four times per week. The various teachings of the Bible are presented and discussed. These courses help the student gain a thorough knowledge of the whole will of God for Christian faith and life. The doctrines of the Lutheran Church as set forth in the Lutheran Confessions are examined in the light of Scripture to strengthen the student’s conviction that they are in fact drawn from the Bible. This intensive two-year study of Christian doctrine aims to give those who are preparing to become public ministers of the gospel a clear and comprehensive understanding of the truths of God’s Word. This will enable them to preach and teach with the assurance, “This is what the Lord says.” The class discussions follow an outline prepared by the dogmatics department. Students write several papers on topics of their choice. Latin and German electives that meet the seminary non-biblical language requirement are offered during the first semester of the middler year. Opportunities are provided for German and Latin research.

## PRACTICAL THEOLOGY

**Worship** – Students are prepared for participation in public worship by means of courses that cover the traditional disciplines of homiletics and liturgics. Training in both areas begins in the junior year. *The Form and Function of Christian Worship* (three hours, second semester) leads students to understand objectives of worship and principles that guide the forms of worship, with special focus on the historical and contemporary use of the Christian liturgy and the services of the Daily Office. *Preaching in Christian Worship IA and IB* (two hours, two semesters) covers homiletical theory and begins the training that will enable the student to prepare a text study, a basic and expanded outline, and a written sermon. As part of the course, each student writes two sermons on the gospel texts and preaches them before the members of his class. Juniors are encouraged to preach their class sermons in congregations, but not until after Easter.

Training for preaching continues during the middler year in *Preaching in Christian Worship II* (four hours, second semester). After a review of basic theory and topics central to the contemporary task of proclamation, each student preaches two sermons, one in class and another in a congregation (for review via video tape). The first sermon is based on an epistle text, and the second sermon is based on a text from the Old Testament.

Studies in worship and preaching are combined in the senior year in *Preaching and Presiding in Christian Worship* (four hours, first semester). The course includes a review of key liturgical and homiletical principles and includes opportunities for practical discussions concerning worship planning and leadership. Seniors prepare and preach one sermon during the semester. The sermon is preached in a congregation and reviewed on video tape by the student's preaching instructor and a group of his peers.

Except in cases of emergency, students are not to deliver any sermon that has not been approved by a member of the faculty or the pastor in whose church the sermon is to be preached.

**Pastoral Theology** – The courses in Pastoral Theology present the scriptural principles and their practical application according to which a Lutheran pastor will shepherd his congregation as he ministers to the sick and the dying, counsels the troubled, the distressed, the tempted, and the erring, and reaches out into the community with the gospel. Pastoral leadership and stewardship also are emphasized. A thorough study of St. Paul’s Pastoral Epistles in the Greek furnishes much of the material in these courses. Special attention is paid to the vicar and his work in relation to the vicar’s supervising pastor and to his further studies at the seminary.

**Christian Education** – The seminary’s courses in Christian education prepare the students for the many kinds of teaching they will be doing as pastors. The course in the junior year lays a foundation by teaching the principles and methods which are basic to Christian education at any level (child, youth, adult).

In the middler year students learn to apply these principles and methods as they prepare Bible history and catechism lessons and youth and adult Bible classes. In one semester of the middler year students are involved in supervised classroom teaching in a Lutheran elementary school.

In the senior year the emphasis is on developing and administering a comprehensive program of education in the congregation. One course concentrates on the program for adult education; the other focuses on the educational program for children and youth. In addition, the use of various technological applications is demonstrated and evaluated.

**Field Training** – An Early Field Training (EFT) program during their junior and mid-dler year gives students a modest amount of practical experience under the guidance of pastors in the Milwaukee metropolitan area.

After completing the middler year, all students are obligated to a full year of training as vicars in a congregation. This training is a part of the seminary curriculum and is administered under the supervision of the local pastor in collaboration with the seminary.

Students receive their vicar assignments through the Assignment Committee of the Wisconsin Evangelical Lutheran Synod after they have been recommended for a vicarship by the faculty.

In their senior year students may be engaged by congregations as part-time assistants through consultation with the seminary’s director of student field services.

The pastors of congregations to whom vicars have been assigned are expected to complete the seminary’s vicarship report form and to return it to the seminary at the conclusion of the vicarship year. Reports are also requested of pastors who supervise part-time assistants.

## ELECTIVES

Besides the required course of study, students are also offered some electives during the regular school year. While attendance at these elective courses is not required, it is encouraged so that the students might add to their biblical, theological, and practical training.

## WINTERIM

All on-campus students are required to attend the two-week Winterim and to enroll in the equivalent of three hours per day (i.e., 30 class hours over a two-week period). Students are permitted to enroll in additional courses. Students are also permitted to audit courses if there is sufficient room. Faculty-approved off-campus study and directed study will be options. Costs for off-campus study are the responsibility of the student or the sponsoring group.

Winterim courses are also available to WELS pastors and pastors in fellowship with the WELS. Tuition costs, registration fees, and course selections will be posted on the seminary's website ([www.wls.wels.net](http://www.wls.wels.net)) on or about October 15. Pastors may register by contacting the faculty secretary ([heislerd@wls.wels.net](mailto:heislerd@wls.wels.net)). Pastors may take Winterim courses for credit which can be applied to the STM program. At the present time Wisconsin Lutheran Seminary is not able to provide Winterim housing in its dormitories for pastors.

The dates for Winterim in the 2006-07 academic year are January 8-19, 2007.

# CONTINUING EDUCATION

## **Wisconsin Lutheran Quarterly**

Since 1904 the Wisconsin Evangelical Lutheran Synod has published a theological journal. Originally called *Theologische Quartalschrift*, it is now the *Wisconsin Lutheran Quarterly*. This journal is published by the seminary as a testimony of its theological convictions, as a public witness to the saving truths of Holy Scripture, and in the interest of the theological and professional growth of those whom the seminary is training for the public ministry and of those already active in this ministry. The managing editor is appointed by the governing board upon recommendation of the president subsequent to election by the faculty. The rest of the editorial staff is appointed by the managing editor and ratified by the faculty.

## **Symposium**

Inaugurated in 2000 as part of the 150th anniversary of the Wisconsin Synod, the annual symposium attracts several hundred pastors who gather together with seminary students and faculty to hear and discuss presentations on important church topics. Held on a Monday and Tuesday in the fall, the symposium includes three essays, a festival service, and an evening of relaxation and fellowship. Registration forms are mailed in mid-summer.

## **Summer Quarter**

To provide further opportunity for the theological and professional growth of those who are already active in the public ministry of its confessional fellowship, each year the seminary offers a summer quarter of graduate and supplementary study. Pastors may enroll in the Master of Sacred Theology program or the Master of Pastoral Theology program. The Master of Arts in Religion program is open to all synodically certified teachers and staff ministers.

A Master of Sacred Theology degree can be gained in any of the four theological branches. A Master of Arts in Religion degree is offered in three. These degrees require 45 hours of credit. At least 21 credits must be earned in the major area, 9 of which may be earned by writing a thesis. Courses given two hours a day for 15 days earn 3 hours of credit. Courses given one hour a day for 15 days earn 1½ hours of credit. Enrollees may take a maximum of 7½ hours of credit per year. For further information on these programs, you may visit the seminary web site under Continuing Education. Every called worker in our synod also receives information in an annual fall mailing.

The seminary also offers a Master of Pastoral Theology degree program in conjunction with the summer quarter. This degree allows the candidate to do a majority of

the work toward earning this degree in his own parish. The degree requires 45 hours of credit. Eighteen credits must be earned in six 15-hour, one-week seminars on areas of practical ministry that are offered in a six-year cycle during the summer quarter. An additional 18 credits are earned by doing three congregational projects as a follow-up to three of the six seminars. The remaining 9 credits are earned by doing a final extensive congregational project on which the candidate will write a master's thesis. You may refer to the seminary web site for further information.

### **Satellite Courses**

Satellite summer quarter courses are offered to called workers in our fellowship. Dependant upon the course offered, the credits for such satellite summer quarter courses would be applicable to either the STM or to the MAR program. Satellite offerings of the Master of Practical Theology seminars would provide credits toward the MPT degree program. Such requests for off-campus events require a group of ten or more called workers. Requests for satellite non-credit Pastors Institutes are offered upon the request of fifteen or more pastors. For more information, including the costs involved, contact the academic dean, Prof. Mark Zarling, at [zarlingm@wls.wels.net](mailto:zarlingm@wls.wels.net).

# STUDENT LIFE

## New Student Orientation

New students are introduced to the seminary and its policies in an orientation session that takes place on the day before classes begin. The dean of students organizes the orientation and sets the agenda. Students are welcomed to the seminary by the president. The Bible software program the students will be using is demonstrated. The financial aid officer presents pertinent information on the assistance program at the seminary. The director of early field training explains the program and its requirements. The dean of students introduces the advisor system and explains the materials in the registration packet.

## Housing

All unmarried students are required to live in the dormitory unless their homes are in the immediate vicinity. Each dormitory resident is provided with a desk, chair, shelves for books, telephone, closet space, bed, and mattress for use during his stay. Each dorm section lounge is furnished with a couch and chair, a television set, and a refrigerator. Noon meals are offered to off-campus students. While facilities permit, off-campus students who carry their own lunch are also encouraged to join the student body at the noon meal in the dining room.

## Faculty Advisors

Each student is assigned a faculty advisor at the beginning of the student's first year at the seminary. Under normal conditions the student has the same advisor throughout his time of enrollment. The faculty advisor meets with his students periodically. Additional consultations may be initiated either by the student or the advisor at any time as needed. During the vicar year the faculty advisor is in contact with both the student and the student's supervising pastor.

## Campus Worship

Because the seminary believes that Christian faith and life are strengthened by and expressed in public worship, opportunities for worship are offered every morning during the school year, on most evenings, and on festivals and special occasions. Most services are held in the chapel, part of the original campus complex but extensively renovated through private gifts during the 2004-05 school year. Designed for about 200 worshippers, the chapel has flexible seating and chancel areas that enable it to serve

a variety of worship experiences. The room also holds a 25-rank Martin Ott pipe organ, dedicated in 1991, and a Yamaha grand piano.

The seminary's dean of chapel oversees the campus worship life and is assisted by a committee of seniors and a student sacristan. Students and members of the faculty preside at regular morning and evening services. Students also serve as organists, instrumentalists, cantors, and members of a chapel choir. Many of the festivals of the Christian year are celebrated in full-length services in which faculty members are invited to preach.

## Seminary Chorus

By its public concerts and appearances the Seminary Chorus represents the seminary in the synod and seeks to set a standard for confessional church music.

Membership in the chorus is open to all students without audition. The seminary's dean of chapel serves as the director of the chorus. Several rehearsals are held each week. The chorus makes between twenty and thirty appearances during the school year. The group presents its annual Christmas concert in two performances on a Sunday in December and a commencement concert on the evening before graduation. Choir tours occur every other year during the Easter vacation.

## Mission and Ministry Seminar

A Mission and Ministry Seminar is held annually during the Epiphany season. This three-day seminar is intended to inspire the students for future ministry and to familiarize them with the various functions of the WELS, including the services which it offers the parish pastor.

Various areas of ministry of the synod, such as parish services, home missions, and world missions, are invited to make presentations and conduct workshops on the seminary campus during the three days of the seminar. Under the direction of the area of ministry administrators, various commissions and para-synodical groups also set up displays for the students' perusal. The senior class participates in the planning and administration of the seminar.

## Student Marriages

Since the seminary desires to counsel students before marriage, all students who contemplate marriage (including vicars, those in emergency service, and those on leave of absence) are expected to consult with the dean of students.

Since the seminary cannot assume responsibility for the housing and support of married students and their families, the student who contemplates marriage is asked to demonstrate that he has worked out a responsible plan for financial stability. No one can anticipate every emergency which might arise, but students who contemplate marriage are encouraged to include provision for unforeseen expenses in their financial planning.

Although the seminary recognizes that family obligations and emergencies will occasionally preempt a married student's time and energies, students who contemplate marriage are cautioned to remember that a consistent pattern of allowing family responsibilities to hamper the discharge of student responsibility will harm their preparation for the ministry and may establish a dangerous pattern for their future work.

Students who plan to marry before registering at the seminary are expected to seek the counsel of the campus pastor at the pre-seminary college.

## Sem Gems

"Sem Gems" is the name of the seminary's organization for seminary wives and fiancées. It meets several times a year and provides opportunity for Christian fellowship, instruction, information sharing, and mutual encouragement for those who will soon be living in a parsonage.

A committee consisting of student and faculty wives sets up a schedule of topics for the year. These topics focus for the most part on seminary wives' future role as pastors' wives. They are taught by seminary professors and their wives as well as local pastors and their wives.

In addition, a practical course in couple communication and conflict resolution is offered each year. This course is offered to married and engaged students; attendance is by couples.

## Food Bank

The married students operate a food bank through which food and other staples donated by individuals and congregations are distributed on an equitable basis to all married students who have need of them.

## Student Government

In view of the maturity that can be presupposed in seminary students, the affairs of the dormitory are predominantly regulated by the students themselves with a minimum of consultation with the dean of students.

The same policy applies in all areas of student life. The seminary endeavors to stimulate in the student body a sense of responsibility for carrying out its own encouragement and admonition. For consultation with the dean the student body elects a student council consisting of the student body president and representatives from each class. The students also elect a missions secretary who receives and disburses their weekly mission offerings. These offerings are designated by the students for special projects.

The principal forum for exchange of views and expression of opinion in the student body is the cafeteria assembly at the noon meal. In order to involve a greater number of students in this process, married students are encouraged to join the student body at the noon meal, either purchasing the dinner or bringing their own lunches.

## Student Publications

Three times each academic year the students publish an online journal entitled *Theologia*. This journal is published on the seminary's web site. The journal is overseen by an editorial board comprised of four seniors, two middlers, and a faculty advisor. During each quarter of the school year exemplary student papers, written exegetical presentations, class projects, and sermons are submitted to the editorial board for possible publication in *Theologia*. The editorial board is responsible for selecting, editing, and formatting what will be published from the submitted student work.

## Synodical Periodicals

The seminary encourages all students to become acquainted with the periodicals of the Wisconsin Evangelical Lutheran Synod. For all enrolled students subscriptions to the *Wisconsin Lutheran Quarterly* and *Forward In Christ* are included in the registration fee. This registration fee, paid during each of the three years a student is in residence at the seminary, also provides him with a subscription to the *Wisconsin Lutheran Quarterly* while he is serving his vicar year.

# Computer Network

The campus computer network provides student access to the library, the Internet, and e-mail. Classrooms are equipped with presentation technology for sharing computer-generated materials with the class. There are network nodes in all student rooms in the dormitory. In addition, there is wireless access to the network in the classroom building and the married students' lounge. There is a computer lab in the library with 17 computers and equipment for scanning and burning CDs.

Every entering junior is required to own a laptop computer that meets certain minimum performance standards and connects to our campus network and the Internet. Current recommended minimum hardware includes:

- Pentium 4, 1.8 GHz or faster
- 256 MB RAM
- 30 GB hard drive
- 24X CD-RW/DVD Combo Drive
- Sound card and speakers
- Ethernet/Wi-Fi NIC

Along with this computer hardware, students are required to have the following software programs for personal and classroom applications:

- Windows XP Pro
- Microsoft Office 2000 Pro or XP Pro
- Logos Original Languages Library + NIV (or Logos Scholars Library)
- Norton (or similar) Antivirus

Enrolled students are able to purchase the Logos products at a 50% discount at the beginning of each term through the WLS network service department.

I AM YOUR SIN.  
YOU BECAME WHAT YOU WERE NOT

## Building a Personal Library

While at the seminary, students will want to begin acquiring a personal library of the basic theological books needed by a pastor in the parish ministry. The book expenses of the individual student will vary, but a minimum cost of \$500 per year may be expected. Books may be purchased through the seminary bookstore.

## Bookstore

The seminary bookstore is a cooperative owned and operated by the student body. The supplies are offered on a minimum margin of profit from which a student manager chosen by the student body is salaried. An annual audit of the bookstore is filed with the president of the seminary.

## Health Insurance Program

The seminary does not offer a special health insurance program of its own, but students are eligible to enroll in the Wisconsin Synod Group Hospital-Medical-Surgical Insurance Plan (VEBA) as offered to the pastors and teachers of the synod. Students are free, however, to select a health insurance program of their own choice. The seminary's financial aid officer maintains information on costs and coverage of various health insurance providers.

## Athletics

The seminary does not sponsor an organized athletic program. Nevertheless, an excellent athletic facility is available for student use. It includes basketball courts, a racquetball court, and a weight-lifting room with both free and machine weights as well as cardiovascular equipment. A portion of the campus has been groomed for softball and soccer. Students elect an athletic director who organizes and supervises interscholastic and intramural competition in soccer, basketball, racquetball, tennis, golf, volleyball, and softball.

# Student Employment

Permission to accept regular employment is granted to students, provided this employment will not interfere with their studies and is undertaken with the knowledge and approval of the seminary administration. The total number of work hours per week should not exceed twenty. The place and the conditions of employment should be reported to the president on forms provided for this purpose. The reports are subject to his approval.

# Registration of Student Automobiles

Ownership and operation of automobiles by students involves certain obligations: adequate insurance must be carried for public liability (personal and property damage), and a parking fee is included in the all-student general registration fee.
